

Our extraordinary Solar System

YOU HAVE probably heard the idea that human beings are just ordinary animals, living on an ordinary planet, in an ordinary solar system, in an ordinary galaxy, in one universe among many and nothing special.

Dr Donald Boyd

EVERY ONE of these phrases is not only wrong but they are lies. A lie is a deliberate contradiction of the truth.

Human beings

There is nothing in the Universe more extraordinary than human beings. We have no evidence of any form of intelligence even remotely like the human being.

The most complex piece of matter in the whole Universe is the human brain. You are not 'an accident of nature' nor the product of chance. This is part of the glory of God our Creator, and you can experience its power in your own being.

The Earth

There is no planet in the Universe which supports life other than the Earth. It is *not* an ordinary planet, so why do people say that it is? Why don't they simply tell the truth? Do they have a problem with it? Are they frightened of telling the truth?

The Solar System

There is nothing 'ordinary' about our Solar System. All other known solar systems are

Our extraordinary Human Existence

very unlike our Solar System, which is quite exceptional; it is not 'ordinary' at all.

The Milky Way Galaxy

There are very many different types of galaxy. We know about the Universe because we have only one Sun and at night-time we can see the stars. Some galaxies have so many stars that it could be daylight all the time and we would not be able to see the rest of the Universe. It is because of the darkness of night-time that we can study the Universe.

One Universe

Atheists don't like the idea of God and the idea of one Universe upsets them, because it suggests that there may be a Creator of this one Universe. So they have invented the idea of many universes to get round this suggestion. However, there is no evidence whatsoever that there are other universes. They have been invented to get rid of the idea of God as the Creator of our one Universe.

Can you face reality?

People think they can ignore God. They cannot face up to the fact that God made us.

"Because they did not like to retain God in their knowledge, God gave them over to a reprobate mind to do those things which are not convenient. Professing themselves to be wise, they became fools", said the apostle Paul in his letter to the Romans in the Bible.

In fact, there is so much common sense in the Bible that you may want to read it for yourself.

IGNORING WISDOM

Pro 1:20 Wisdom shouts in the streets:
Pro 1:21 in the main places where people gather:
Pro 1:22 How long, simpletons, will you love simplicity? and scorners delight in scorning, and fools hate knowledge?
Pro 1:23 Turn at my reproof: look, I will pour out my Spirit upon you, I will teach you my words.

HOWEVER

Pro 1:24 Because I have called, and you refused; I have stretched out my hand, and no-one paid any attention;
Pro 1:25 But you have devalued all my advice, and don't want any of my correction:
Pro 1:26 I also will laugh at your calamity; I will mock when your fear comes;
Pro 1:27 When fear comes as desolation, and your destruction comes as a whirlwind; when distress and anguish come upon you.

TOO LATE

Pro 1:28 Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me:
Pro 1:29 because they hated knowledge, and did not choose the fear of the Lord.
Pro 1:30 They didn't want my counsel: they despised all my reproof.

THEIR OWN CHOICE

Pro 1:31 Therefore shall they eat of the fruit of their own way, and be filled with their own devices.
Pro 1:32 For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them.
Pro 1:33 But whosoever listens to me shall dwell safely, and shall be at peace from the fear of evil.

Better late than never; pray and come to Jesus now before it is too late.

THE HAPPY MAN

“NOTICE, happy is the man whom God corrects: therefore do not despise the correction of Almighty God” Job 5:17

WHERE IS GOD?

People don't know where to find God. An atheist had a notice on his bedroom wall above his bed which read:

GOD is NOWHERE

His young niece was learning to read, so he asked her to read it out. One word was too long for her to read, so she read:

GOD IS NOW HERE

God is everywhere, even in yourself. You have been created in the image of God. This is why you can think about Him.

The thing inside you which thinks “I am happy”, or sad, loves or hates, is your soul.

Your soul is eternal—it will never die. It will end up in heaven with God, or without God in hell.

So — if people don't want God, He will not force them into heaven. They will find out in hell what it is like to be without God.

Journalists write about Hell on earth — but Hell in eternity is even worse.
